

We have the pleasure inviting you to attend the eleventh edition of '[SUBCON THAILAND](#)', ASEAN's largest industrial subcontracting and business matching event, which will take place in **Bangkok, Thailand** from **17-20 May 2017**.

With more than 400 stands it is the main event for business matchmaking in the field of industrial parts (plastics & rubber, metals, electric & electronics, tooling, packaging). You will find manufacturers from a variety of industries and it is also a platform for "new industries" as medical technologies, aerospace and agrotech. The event is attended by more than 20,000 industrial part-buyers from over 15 countries. At Subcon you will find the right products, parts, partners and contacts.

The Board of Investment (BOI) Thailand, which is co-organizing the event, invites Benelux companies to participate [for free](#) in the **Key Buyer program** and can offer you a very attractive package.

- **FREE hotel accommodation and local transportation.** Up to five nights free hotel accommodation including breakfast for 1 person per company
- **Business Matchmaking Program.** When you are looking to source from local manufacturers BOI Thailand will arrange appointments for you based on your specifications
- **Factory visits.** Visit to selected Thai industrial companies
- **Seminars.** Several seminars will be organised during Subcon Thailand 2016 about a.o. global sourcing, aerospace, automotive, medical devices, ...
- **FREE facilities.** Use of VIP Room with free Wi-Fi
- **Networking reception.**

This is a good opportunity to visit Thailand to find new sourcing partners and to get a better insight in the developments in the region. During Subcon a representative of BOI Thailand will be present to support the Benelux companies.

Subcon is co-located this year together with INTERMACH 2017 and SHEET METAL ASIA 2017.

When you are interested to participate or want to receive more information regarding the Overseas Buyer program please contact Sieb Hoogstra directly at [sieb.hoogstra@colors-inc.com](mailto:sieb.hoogstra@colors-inc.com).

We are looking forward to hearing from you and hope to see you in Bangkok in May!

Kind regards,

**Sieb Hoogstra** on behalf of **BOI Thailand - Frankfurt Office**

Rue de Bellevuestraat 28 B2, 1000 Brussels, Belgium
