

The Digital Concierge

The Digital Concierge is looking for an Agent in Bangkok!

The Digital Concierge is an app, designed to cater for the needs of hotels, B&B's, guesthouses, holiday homes & apartments and short stay. With this app the owner/staff of an accommodation will have their own app to share with their guests. Sharing their own favourite locations, such as restaurants and bars, attractions and experiences as well as useful information about their own accommodation, by means of The Digital Concierge.

The app works by a clear and fixed annual subscription, ranging from €99 to €649,- (USD 115 – USD 754).

The Digital Concierge is usable worldwide. Currently we have clients in countries as The Netherlands, Belgium, France, Spain, South Africa and a few in Thailand.

Who are we looking for?

We are looking for a person who wants to take on the role of agent, with exclusivity in the Bangkok region, to acquire new customers. Native Thai and good English speaking and writing preferred, with a sales & service attitude. Having a network in and having affinity with hospitality will be of great advantage. Being able and finding it a challenge to build your business as an agent and creating a good income.

With all the support you need from our head-office in The Netherlands we will help you acquiring new customers and giving the service needed.

This is a type of work you can do from home, using telephone and e-mail. Visiting accommodations might help in your success but is not a necessity. No technical knowledge needed, just basic internet-skills. Knowledge of Excel/Word can help.

Income

Your income is based on commission (revenue share): 40% of every new acquired client, 20% when a client renews subscription the 2nd year and 10% for every year the client renews after the 2nd year.
