

Position: Business Unit CFO

Work Location : Northern Region Industrial Estate (Lamphun)

With continued growth and investment in the business, and the recent acquisition by Safran Group we are looking for a talented individual to be a key member of our global BU management team. Our ideal candidate will manage and collaborate with teams in multiple countries to achieve the BU objectives. He/she should have a strong attention to detail, focus and be able to respond to ad-hoc requests in a timely and accurate manner. The position reports to the expatriate BU CEO stationed in Lamphun and has a dotted line to the Division CFO in The Netherlands. Responsible for the finance, compliance and reporting of the 3 legal entities of the BU (Thailand, Netherlands and USA), and statutory reporting of Lamphun site encompassing 3 separate BU.

Key responsibilities:

Financial control and reporting

The main responsibility is the preparation and presentation of monthly Group reporting packs, variance analyses and monthly forecasting of the financials for each entity and consolidated BU. Be the focal point and manage Ad-hoc Group reports and requests in a timely manner. Working closely together with the commercial and operational teams to drive performance improvements and to identify cost optimization measures, and subsequent monthly tracking of results.

Additionally, periodic collaboration with Group Tax and Treasury departments (i.e. currency hedging, BOI status or transfer pricing initiatives) and oversight of quarterly, annual statutory reporting as well as (internal & external) audits.

Lead FSSC/IS/IT teams

Lead the local Shared Services Center team of 25 (15 finance, 9 IT/IS & 1 compliance), ensure compliance with agreed SLA and drive standardization of processes and reporting between the 3 BU that are part of the Lamphun legal entity. As a member of the Thailand IS Board and BU Information Manager representative it is also important to collaborate and prioritize IS projects for the maximum benefit of the BU and Group as a whole.

BU MT Member

As a key member of the local Site Management Team, made up of local department managers, it is critical to act as a true business partner offering guidance and insights to support the business. Additionally, as part of the global BU MT team you will contribute to identify strategic goals, formulate medium term business plans and lead the annual budgeting process, prepare business cases for large Capex projects and get involved with M&A activities.

Mandatory Qualifications & Expectation :

- Thai National with at least 5 years overseas working experience in similar field or Expatriate with working experience in Thailand.
- Minimum Bachelors degree in Accounting, Business or similar.
- Background of reporting and managing teams in multiple countries.
- Experience working in publicly listed company with tight external reporting deadlines.
- At least 5 years in a similar Controller, CFO or Director role, within an International company.
- Strong leadership, people oriented with pleasant personality and a good sense of humor.
- Solid analytical skills, experience with project management and master in time management.
- Excellent command of the English language and minimum basic Thai language.
- Good MS Office skills.
- Proactive, well organized, attention to detail, energetic, patient, comfortable to handle reporting and do presentations.

Advantageous Qualifications & Experience:

- Experience with manufacturing accounting and costing.
- Background in Audit or Internal Control.
- Experience with SAP BFC consolidation software and Infor ERP LN.
