## Air France and KLM Traveldoc Websites

Due to the health situation, some countries require a negative Covid-19 test, quarantine on arrival and special travel documents. These travel requirements are regularly updated. Air France and KLM recommend all customers to check [Air France Traveldoc](#) and [KLM Traveldoc](#) sites regularly before the trip.

For entry restrictions to specific country, please visit the following official websites:

- France: [Ministry for Europe and Foreign Affairs](#)
- The Netherlands: [Government of the Netherlands](#)
- Thailand: [Thai Nationals](#) and [Non-Thai Nationals](#)

## Travel requirements to/via France

The French authorities have updated the entry requirements for customers traveling to France. Customers traveling from Orange Countries, such as **Thailand**, and **are not vaccinated\***, are required to:

- Present a **certificate of international travel** for Metropolitan France
- Present a **negative -19 PCR test result less than 72 hours before departure or a negative -19 antigenic test result less than 48 hours before departure**
- Present a **sworn statement** certifying the absence of COVID-19 symptoms and of any contact with a confirmed case of COVID-19
- **Self-isolate for 7 days** and to take a **COVID-19 PCR test at the end of the isolation period**.

**Customers transferring in Paris-Charles de Gaulle Airport** do not need to present negative COVID-19 NAAT (PCR) test result but as required by final destination.

\*Vaccination requirements and type of vaccines accepted by France Government can be found [here](#).

## Travel requirements to/via The Netherlands

The Dutch authorities have updated the entry requirements<sup>1</sup> for customers traveling to/via The Netherlands. **Customers traveling to the Netherlands** from a **very high-risk area**, such as **Thailand**, must present the following documents **even if they have proof of vaccination**:

- **Either a negative COVID-19 NAAT (PCR) test result** based on a sample collected no more than **48 hours** before departure
- **Or a negative antigen test result** based on a sample collected no more than **24 hours** before departure
- **And a completed, printed and signed quarantine declaration**
- **And a printed health declaration form**

Vaccinated customers from the very high-risk area traveling to the Netherlands areas **no longer have to self-quarantine** on arrival in the Netherlands.

**Customers transferring in Amsterdam-Schiphol Airport** no longer need to present negative COVID-19 NAAT (PCR) test result but as required by final destination. A [printed health declaration form](#) is still required.

(1) Children aged 12 and under are exempted from COVID-19 travel conditions.

## Easy Travel with KLM Upload@Home Document Check

Customers can now use KLM's 'Upload@Home' to save time at the airport and enjoy a smoother journey. This free option lets them **pre-validate required COVID-19 entry documents** through KLM website. **Eligible customers will receive an invitation to upload documents before travel**, such as negative PCR test results. KLM will check the documents and confirm via e-mail when everything is in order. Uploading must be done at **least five hours before departure**. Please check [AIRFRANCE.CO.TH](#) or [KLM.CO.TH](#) for more information.

## Air France and KLM Book with confidence

Air France and KLM continue to offer customers reassurance and more time for planning future travels. Our current flexible COVID-19 'Book with confidence' policy, extended until 31 March 2022, provide customers the flexibility to rebook with no change fee or get a refund. Please visit [AIRFRANCE.CO.TH](#) or [KLM.CO.TH](#) for more information.

**Go to your dedicated Travel Agent or [AIRFRANCE.CO.TH](#) or [KLM.CO.TH](#) to check the fares and most updated flight schedule to make the booking.**
